

WESTERN FED REPORT

Carol Peterson

WTWS has some fantastic painters.

We have **37 paintings** entered in the Western Fed Show this year and they all look wonderful. I hope the judge, Mark Mahaffey, agrees with me and selects a bunch of the **15 WTWS artists** who entered. WTWS will know who was accepted into the show in the middle of February. Big congratulations to every member who entered this year --- you guys are super!

The WFWS Show will be in Irving this spring, **June 1 to July 7th, at the Irving Arts Center**. Be sure to go see the exhibit if you are in the area.

From Linda Ward. . .

Just wanted to share a blog with you all: www.2ndsaturday.blogspot.com
Every second Saturday of the month, I meet with two other artists, Tommie Sue Sartor (Downsville, LA) and Donna McGee (West Monroe, LA). We share what we're working on, critique each other's work, and basically part company being inspired by each other.

Also, for members interested in animal art, the LSU School of Veterinary Medicine art show is coming up soon (Jan 11, 2013 deadline). Contact: artshow@vetmed.lsu.edu or www.vetmed.lsu.edu

Thanks,

Linda Snider Ward
