

## A Splash of RED VII Prospectus

### **RED (A BIG splash!) Art Check-in January 28, 2020**

Date of Show: January 30 - Mar 25, 2020

Location: Legacy Event Center, 1500 14th Street, Lubbock, TX

Judging: All patrons of the show may vote for the "People's Choice" monetary awards. Other awards may be possible. There will be no categories for this show.

WTWS RED Show is open to all WTWS members. Dues of \$40 for 2019-2020 should be paid up at the time for eligibility.

Entry Fees: \$15 per entry or \$40 for 3, with a maximum of 3 entries.

Show Guidelines: **Original 2D art pieces of any drawing and painting mediums** (watermedia, pastels, oils, pen and ink, graphite and colored pencils, encaustics, collage, etc.), **but the major color or feel of each piece must be RED.** (No photography or computer generated artwork please.) The art piece does not have to be a new piece, although we strongly encourage new work. It's okay if you've entered the piece in a judged show before, but **please no pieces that have been exhibited at Legacy before.** Because the RED show is not an artist-judged show, you may enter the pieces in a judged show later, as long as they meet all that show's qualifications. (Ready to hang please and no sawtooth hangers.) **All works must hang for the duration of the show.**

**Art for the RED show is for sale at the artist's discretion. Legacy Event Center will receive 20% commission on sales.** Artist is responsible for state sales tax. Selling artists must provide their Sales Tax ID # during registration. (Sales using WTWS Tax ID # is an option if the artist does not have a Sales Tax ID # and wishes to sell.) Please bring the **printable Legacy Exhibit Form and Labels (find on wtws.org)** along with your entry fee check when you register on January 28th. If you do not wish to sell your art, please check the "NFS" blank for that piece(s).

**Art Check-in: Tuesday, January 28th, 10 am - 2 pm, at the Legacy Event Center** (No late entries) (Any out-of-town artists, or artists with schedule conflicts may send their art and entry materials with someone else, or call Jan or Martha for alternate arrangements.)

**Art Pick-up after show: Beginning Mar 26.** If you do not need your art pieces back right away we encourage you to leave them up through April, or substitute another piece for one(s) that you remove beginning Mar 26.

WTWS, Legacy and their representatives will not be responsibilities for loss or damage to any painting submitted. Each entrant must assume liability and insurance for his/her art works.
