

We support several programs, such as ARTadventures at the Guadalupe-Parkway Center for children, Scholarships for Art Teachers, Guest Artists Demonstrations, Memorials and Honorariums. WTWS is an active society. Activities include: Exhibitions, Workshops, Artist retreats, Participation in the Western Federation of Watercolor Societies (WFWS), Lubbock Arts Festival and activities that bring community and artists together. We produce numerous art exhibitions from January through December. During these events, WTWS participates in the Lubbock First Friday Art Trail, a favorite with residents and tourists. We offer Free admission to all of our exhibitions. Volunteers dedicate their time and energy to help make all these art events successful. Everything we do is made possible through the financial support of our members, donors and sponsors like YOU!

### ***Message from the President***

#### **Welcome to the 2023 WTWS Signature Fall Show!**

The West Texas Watercolor Society is honored to host our first WTWS Signature Show. To be exhibited at the Broadway Contemporary Fine Art Gallery is a special honor. Many thanks to Janelle Barrington Spivey, owner of Broadway Contemporary, for giving us such a beautiful gallery in which to hang our show.

Our juror, Jeannie McGuire, did a wonderful job of selecting from a strong group of creative artists. I want to personally congratulate all the artists who entered this new and prestigious juried show, whether you were accepted or not.

I want to give a special thanks to the WTWS Signature Board group who held many meetings over many months to make this event happen. Your tireless work is recognized and appreciated.

I want to thank the WTWS for allowing me to serve as president for the past year and into the next year. I am grateful to this great group of artists who encourage each other, teach each other, and most importantly, respect and honor each other.

~ Jan Lloyd, President WTWS 2022-2024

**Juror Comments**

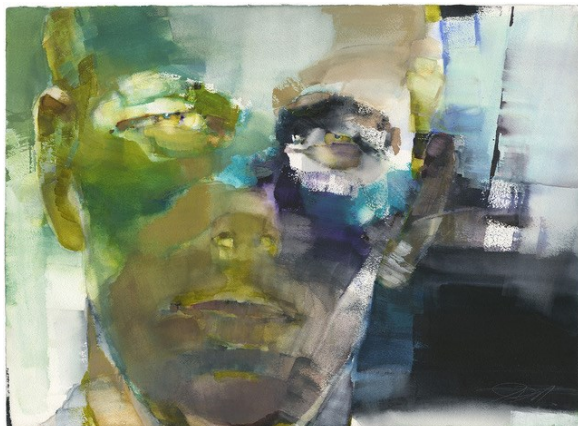

In choosing awards, Jeannie McGuire is often impressed by the eclectic artworks submitted. She responds especially to those pieces that to her artist's sensitivities demonstrate: Simplicity of statement, technical ability, effective composition, staying power and a connection to a story or feeling.

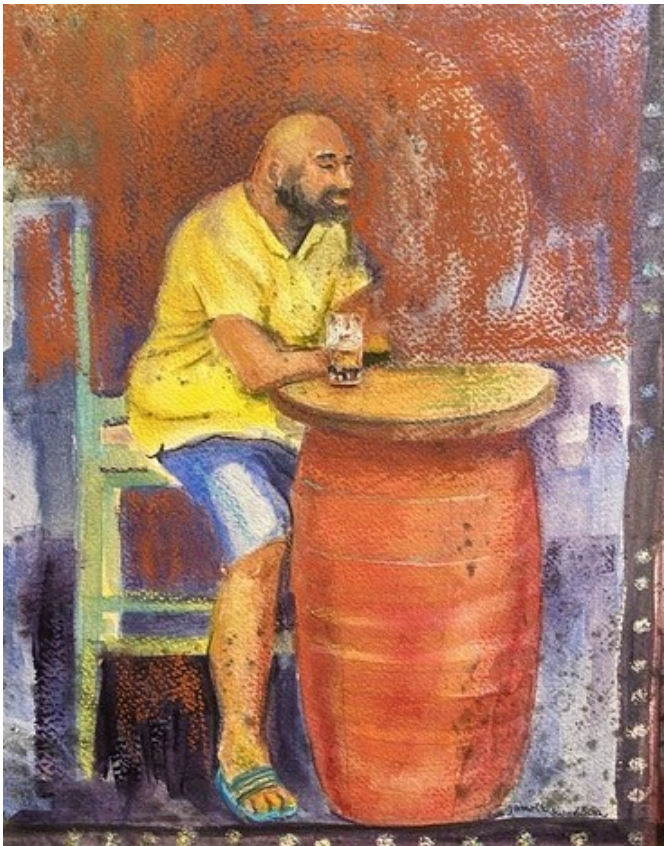

"To keep my art fresh, I challenge myself with a question: Is it predictable or unpredictable? An otherwise spontaneous and uninhibited painting can come to a halt of indecision many times. To embrace this indecision and unknown with an unpredictable approach is risky and difficult. Yet it is exciting and creative, and more often than not, well worth it."
